## VISITATION CHAPEL

The name of the chapel commemorates the visit of Mary to her cousin Elizabeth where the two women were graced to recognize the God life within.

## EVENT SPACE

The chapel—available for religious, academic and artistic events, including concerts, weddings and funerals—invites and welcomes all. The highly flexible space is designed to underscore the notion of “journey.” It features a gathering area, which leads into the Assembly space where a wall of windows allows the wooded view, with its changing seasons, to serve as a beautiful backdrop.
