Renewal of Vows & Lighting of Candle

**Drawn by the love of Jesus Christ, Your Son,  
reaffirming the promises of my baptism and confirmation,  
I give myself to you, heavenly Father,  
through the Holy Spirit to serve your people.  
In order to be free for this service,  
I promise to lead a life of consecrated virginity  
in the Congregation of the Sisters of Divine Providence.  
I will accept in obedience the decisions made in Community  
and expressed by lawful authority.  
Joyfully do I promise to live and work  
in evangelical poverty with you, my Sisters,  
for the attainment of our common goal in Christ.**
