Naming Rights Opportunities

The following naming rights opportunities will recognize your generosity and commitment to securing a place of hospitality, inclusivity and community for our Sisters now and into the future. Naming rights may be made in your name or in honor or in memory of your loved one(s).*

**$50,000 Memory Garden**
The largest outside area with direct access from The Commons. The space is relaxing and reflective with walking loops that travel throughout, offering a wide variety of plants and shrubbery of different sizes, textures and colors. Benches situated on the walking loops offer opportunities to sit and enjoy the views. Small gatherings can convene for social engagement in a dedicated space with tables and chairs. The garden’s adjacent lawn affords space for larger outdoor events within the garden. The garden is secured for all to enjoy.

**$50,000 Dining Room**
A spacious and inviting inside dining area, the dining room can be divided into two smaller rooms to accommodate different group sizes. The room is painted a soft green and yellow, creating an environment that brings the outdoors in. The large windows allow for views of the outside dining terrace, courtyard and the property beyond.

**$50,000 Dining Terrace**
Located outside of the dining room, the dining terrace includes an area to sit and enjoy views of the Providence Heights campus. The terrace, surrounded by shrubs, groundcover and ornamental trees, includes the statues of the community’s co-founders Bishop Wilhelm Emmanuel von Ketteler and Mother Marie de la Roche.

**$25,000 Nurse’s Station**
Located in the health care wing, the nurse’s station provides a dedicated area where our health care team gathers to work and collaborate, maintaining a 24-bed professionally staffed facility that provides round the clock care and daily assistance to our Sisters.

**$15,000 Heritage Visitor Room**
Located off the main reception area as you enter the building, each room is unique in its size and style of furnishings, accented with beautiful draperies on the windows. There are four Heritage Visitor Rooms available for naming rights.

**$10,000 Healthcare Lounge**
Offering private areas on each healthcare wing, the Healthcare Lounges overlook the Memory Garden. There are nine Healthcare Lounges available for naming rights.

**$5,000 Healthcare Room**
Providing an ample sized bedroom, living area and a private bath, each room is located in the healthcare wing. There are 24 Healthcare Rooms available for naming rights.

To secure your Naming Rights gift, please contact 412-635-5428 or missionadvancement@cdpsisters.org.

*Anonymous gifts permitted. The Sisters of Divine Providence have final approval of all naming rights, including but not limited to styles, designs, locations and timetable to ensure appropriateness, consistency and equity. Duration of naming rights will remain for the expected life of The Commons facility or no less than 20 years. The Sisters retain the right to change or terminate naming rights if the donor or donor entity contradicts the community’s mission and values.*
