Making God's Providence Visible

The Sisters of Divine Providence are women of varied and diverse backgrounds and talents united in their deep trust in a Provident God who loves and cares for all creation. In keeping with the Community's charism to make God's Providence visible in our world, the Sisters founded and sponsor the following ministries and institutions.

EDUCATION

A private, Catholic, coeducational college north of Pittsburgh founded by the Sisters of Divine Providence in 1963, La Roche welcomes students of all religions, ethnic origins and talents. Undergraduates may choose from more than 50 majors, including the top 10 majors most in demand among today's college students. La Roche combines a quality educational experience with clubs, athletics, social and community volunteer activities, spiritual well-being and more to prepare students for life in a constantly changing global society.

Founded by the Sisters of Divine Providence in 1926, the Alpha School is a private, Catholic, coeducational school located on the Sisters' 40-acre campus north of Pittsburgh. Voted one of the 25 most innovative Catholic schools in the country, Alpha School provides outstanding instruction for students in kindergarten through eighth grade in fundamental skills, while encouraging original thinking, intellectual curiosity, moral growth and creative self-expression.

Sacred Heart was founded in 1947 by the Sisters of Divine Providence as a private, Catholic, coeducational school for students in preschool through twelfth grade. The school's expansive and beautiful 120-acre campus is located in Kingston, Massachusetts. In the tradition of the Sisters of Divine Providence, the school seeks to develop a community of faith that encourages students to act with compassion, to work for a just society and to pursue opportunities to develop and share their God-given talents in service to society.

SOCIAL SERVICES

Founded by the Sisters of Divine Providence in 1989, La Posada Providencia—Spanish for the Inn of Providence—is located in South Texas. A 24/7 emergency shelter for immigrants, asylum seekers and asylees, La Posada provides safe shelter, food, local transportation and supportive services to help clients take the necessary steps to achieve self-sufficiency and responsible integration into U.S. culture. Since its founding, La Posada has assisted more than 8,000 people from over 70 countries.
